SECTION 1 - INTRODUCTION

Overview

As a federally insured depository institution, Medallion Bank (“the “Bank”) is subject to the Community Reinvestment Act (“CRA”), codified at 12 USC 2901 – 2908, which requires banks to identify and help meet the credit needs of their communities, including low to moderate-income (“LMI”) individuals and geographies. Bank regulatory agencies are required to assess a bank’s CRA performance as part of the periodic examination process. Depending on the size and type of bank, the agencies apply different evaluation criteria to assess the bank’s CRA performance.

One performance evaluation option available for banks is the CRA strategic plan. The strategic plan enables a bank to tailor its CRA goals and objectives to address the needs of its community consistent with its own capacities, business strategies and expertise. If a bank is approved by its regulator to be evaluated under a strategic plan, it must specify measurable goals in the plan for helping to meet the credit needs of its assessment area(s), particularly the needs of LMI individuals and communities, through lending, investment, and service, as appropriate.

Because of its unique business strategy, product offerings, lending market, and the availability of community development lending, investment, and service opportunities within its local community, the Bank’s Board of Directors (“Board”) and management have determined that a strategic plan is the preferred method for the Bank to fulfill its obligations under the CRA. At the direction of the Board, management has prepared this CRA Strategic Plan (“Strategic Plan” or “Plan”) based on regulatory guidance, the Bank’s historical CRA performance and ratings, community outreach to understand community needs and market conditions, and analysis of similarly situated banks with strategic plans.

The Bank is currently operating under a Strategic Plan approved by the Federal Deposit Insurance Corporation (“FDIC”) on February 25, 2015. It is a five-year plan with an effective date of April 1, 2105 and an expiration date of March 31, 2020. The Bank is submitting this new proposed Plan, which the Board has approved for submission to the FDIC.

Medallion Bank Profile

Medallion Bank is a Utah-chartered industrial bank that opened for business on December 22, 2003. The Bank is located at 1100 East 6600 South, Suite 510, Salt Lake City, Utah 84121, where it currently employs 77 full time employees, 63 of which are located in the Salt Lake City office. The remaining employees are located at a satellite office in Bothell, Washington or work remotely in other locations.

The Bank is not a traditional retail bank. It is not open to the public and does not offer typical banking services, such as individual deposit or savings accounts. The Bank specializes in offering consumer loans for the purchase of Recreation products and Home Improvement projects. It has a run-off portfolio of commercial loans (taxi medallion loans), but no longer originates these loans and has no plans to do so in the future. The Bank is funded primarily with brokered deposits, which are sourced through a network of deposit brokers and are insured by the FDIC.

The Bank is jointly regulated and supervised by the Utah Department of Financial Institutions and the FDIC.

Parent Company Profile

Medallion Bank is a wholly owned subsidiary of Medallion Financial Corp (“MFC”), a publicly traded (MFIN - NASDAQ Exchange) New York-based specialty finance company that has historically had a leading position in originating, acquiring, and servicing loans to finance taxicab medallions and various types of commercial businesses. In 2016, MFC began transitioning away from medallion lending due to competition from ride sharing services and placed its strategic focus on growing its consumer finance portfolios, which are originated and serviced by the Bank.

SECTION 2 – COMMITMENT TO CRA COMPLIANCE

Board and Management Responsibilities

The Bank's CRA program is administered under the direction of the Bank's Board. Since inception, the Board has recognized the importance of CRA compliance and has provided management with the guidance and resources necessary to ensure the Bank fulfills its CRA obligations to meet the needs of its community. This ongoing commitment to CRA compliance has resulted in the Bank never earning less than a Satisfactory rating in any of its CRA Performance Evaluations. And for its most recent CRA Performance Evaluation, completed in April 2018, the Bank earned an Outstanding performance rating.

To ensure the success of the Bank's CRA efforts, the Board has appointed a CRA Officer to be responsible for developing, implementing, and administering the Bank's CRA program. The CRA Officer works with management to identify CRA loan, investment, and service opportunities, and to design and implement appropriate strategies to achieve the Bank's CRA goals. The CRA Officer is assisted by a Compliance and CRA Specialist who carries out many of the day-to-day tasks associated with the Bank's CRA plan, including coordinating employee CRA service opportunities and administering CRA training.

To ensure appropriate and consistent execution of the Bank's CRA program, management has chartered a Community Reinvestment Committee. The Committee reviews and approves CRA loan, investment, and service activities, including CRA grants. The Committee meets no less than four times annually and the Committee Chair (CRA Officer) presents the meeting minutes to the Board and discusses any material matters, thereby facilitating the Board's oversight responsibility.

Employee Responsibilities

All employees are required to complete annual training on the CRA to ensure they understand the technical requirements of the law and the Bank's strategies to help meet the needs of its community. Employees demonstrate their commitment to CRA compliance by participating in Bank-sponsored volunteer service opportunities as noted herein.

Loan, Investment, and Service Strategies

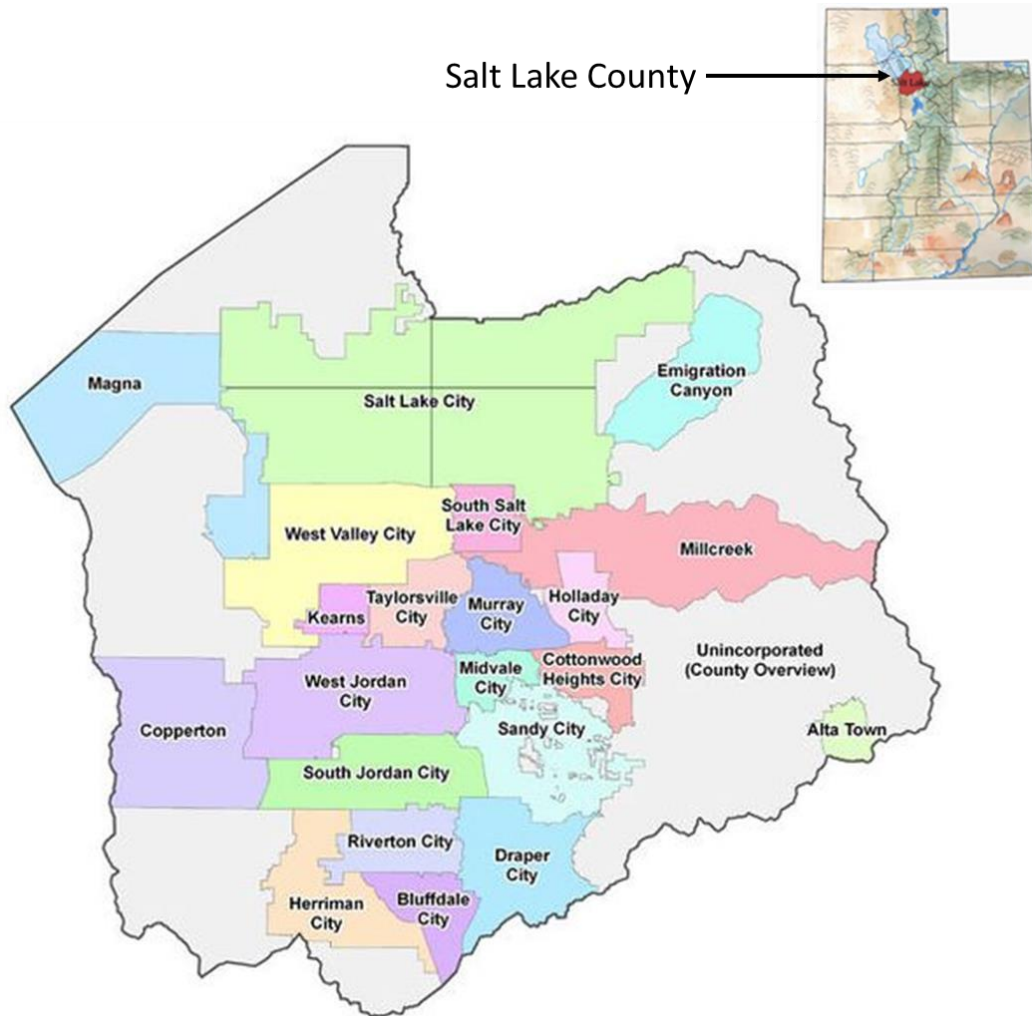

In considering how the Bank can best demonstrate its commitment to CRA Compliance within its current performance context, management has developed and implemented strategies for CRA loans, investments, and service that primarily focus on the following types of facilities:

- Loans to nonprofit organizations that facilitate the construction or rehabilitation of affordable housing or promote economic development and job growth within the Bank's assessment area serving LMI individuals. Examples include:
 - Loans to NEIGHBORWORKS SALT LAKE to support affordable home ownership for LMI individuals and families through first mortgages and rehabilitation loans.
 - Loans to the UTAH MICRO LOAN FUND to provide start-up financing for owners of new or existing small businesses, most of which are owned by LMI individuals that lack access to traditional funding sources, particularly those who are socially and economically disadvantaged.
 - Loans to the ROCKY MOUNTAIN COMMUNITY REINVESTMENT CORPORATION to provide financing for affordable housing projects targeted to LMI individuals and families.
- Investments in bonds or specially-designed loan pools that support affordable housing or economic development and job growth within the Bank's assessment area serving LMI individuals. Examples include:
 - Investments in UTAH HOUSING CORPORATION (UT HSG) BONDS that provide low cost mortgage loans to LMI individuals and households.
 - Investments in FNMA AND GNMA CRA-TARGETED MORTGAGE-BACKED SECURITIES that contain high concentrations of loans to LMI households.
 - Investments in SBA LOAN POOLS that are assembled using the guaranteed portions of SBA 7(a) loans.
 - Investments in the BRIDGE WORKFORCE AFFORDABLE HOUSING FUND, which rehabilitates and preserves workforce and affordable multifamily housing for LMI individuals and households.
 - Investments in the UNIVERSITY GROWTH FUND, which provides growth capital to small business entrepreneurs and also gives LMI students educational and work opportunities in the world of investing.
- Service on the board of directors or committees of organizations that facilitate affordable housing, promote economic development, or serve the humanitarian needs of LMI individuals and households. Examples include:
 - Service on the BOARD OF DIRECTORS OF THE UTAH MICRO LOAN FUND.
 - Service on the CREDIT COMMITTEE OF THE UTAH MICRO LOAN FUND.
 - Service on the LOAN COMMITTEE OF NEIGHBORWORKS SALT LAKE.

- Service on the CRA FOUNDATION COMMITTEE OF THE UTAH ASSOCIATION OF FINANCIAL SERVICES.
 - Service on the CRA FOUNDATION FINANCIAL LITERACY SUB-COMMITTEE OF THE UTAH ASSOCIATION OF FINANCIAL SERVICES.
 - Service on the UTAH BANKER'S ASSOCIATION'S CRA COMMITTEE.
- Teaching financial literacy to LMI Individuals to help them build wealth and participate in the American financial system with success. Examples include:
 - Teaching JUNIOR ACHIEVEMENT curricula to students (grades K -6) at schools designated Title-1 by the U.S. Department of Education.
 - Volunteering to participate in JUNIOR ACHIEVEMENT'S JA BIZTOWN where Bank employees work directly with students to teach them about business, financial literacy, and how their school education applies in the real-world.

SECTION 3 – ASSESSMENT AREA

The Bank has designated Salt Lake County¹, Utah as its CRA assessment area. The Bank's main office is located in Midvale, Utah and most of its employees reside in Salt Lake County. The Bank has no branches or deposit-taking retail service facilities inside or outside of its assessment area and has no plans for such in the future.

The Bank's efforts to assess the needs of its assessment area have been on-going and have included formal and informal meetings with members of the public, as more specifically described in Community Needs Assessment section below. To the extent the

¹ Salt Lake County resides within the Salt Lake Metropolitan Statistical Area, which includes Salt Lake and Tooele counties.

Bank has met the community needs in its assessment area, the Bank will consider CRA loans, investments, and service in a broader state-wide or regional area that includes the Bank's assessment area. The targeted regional area will be the Mountain West Region, which includes the states of Utah, Nevada, Idaho, Wyoming, Colorado, Arizona, New Mexico, and Montana.

SECTION 4 – CRA PERFORMANCE CONTEXT

The information in this section represents the performance context in which the Bank currently operates and from which the Bank has developed this Strategic Plan. Performance context is broadly defined as the range of economic, demographic, and institution-specific and community-specific information needed to understand the needs of the community and how best to meet those needs given the Bank's business structure, strategy, and product offerings.

Community Needs Assessment

The Bank's Board and management understand that the effectiveness of the Bank's Strategic Plan is largely determined by the quality of the needs assessment it performs. Thus, management has informally sought input and suggestions from several sources during the development of this Plan. This broad reach is necessary to ensure the Bank has access to the fullest possible information about the needs of its community and how those needs might be met. Information which management collected and considered in assessing its community needs and in the development of this Plan was gathered from a number of sources, including:

- Data from the US Census Bureau
- The Utah 2018 Economic Report to the Governor
- The 2018 Utah Economic Outlook
- Salt Lake County Official Website
- The Utah Office of Business and Economic Development
- The Federal Deposit Insurance Corporation

Additionally, through its employees' ongoing participation on boards and key committees of a few of the organizations below, and through interviews conducted with representatives of these organizations, management was able to more specifically understand the needs of the individuals and families in its community. Furthermore, management was able to determine what resources and support these organizations need and what the Bank can potentially provide to help them fulfill their mission purpose.

- Neighborworks Salt Lake
- Housing Authority of Salt Lake County
- Utah Housing Corporation
- Utah Micro Loan Fund
- Bridge Workforce & Affordable Housing
- Junior Achievement of Utah
- Utah Health & Human Rights

- Utah Community Action
- Utah Department of Health
- Housing Opportunity
- Rocky Mountain Community Reinvestment Corp
- Junior Achievement of Utah
- Utah Health & Human Rights
- Utah Community Action
- Utah Department of Health
- Housing Opportunity

Other factors considered by management as it conducted its needs assessment in development of this Plan included:

- Input from the Bank's Board.
- The Bank's product offerings and business strategy.
- The Bank's constraints and capabilities.
- The Bank's historical production volumes and market segments served.
- Management's own knowledge of the assessment area.

FDIC Performance Context Factors

When evaluating a bank's CRA performance under a strategic plan, the FDIC applies various CRA tests and standards within the context of seven factors collectively referred to as a bank's performance context (12 CFR 345.21(b)). The FDIC also considers whether to approve a proposed strategic plan within those same factors.

The performance context factors outlined in 12 CFR 345.21(b)(1)-(7) and information relevant to the Bank and its assessment area associated with those factors are discussed below.

1. 12 CFR 345.21(b)(1) – Demographic Data on Median Income Levels and Other Relevant Data

According to the U.S. Census Bureau 2010, Salt Lake County had an estimated 2017 population of 1,135,649² and remains the largest and was the fastest growing county in Utah through 2016 and 2017. The 2018 FFIEC Census Report – Summary Census Housing Information estimated MSA/MD Median Family Income ("MFI") for Salt Lake County was \$79,700. The Low, Moderate, Middle and Upper income categories for the county are listed in Table 1 below and are based on the median family income of \$79,700.

According to the 2010 U.S. Census Data, 2012 – 2016 American Community Survey 5-year estimates³, 11 percent of Salt Lake County's population is currently living in poverty. Families with children under 18 years old living in poverty comprise 14.1 percent of Salt Lake County's population and households with single mothers represent 22.9 percent. However, due to its relative affluence, a smaller percentage of Utah's population lives in poverty than the national average.

The Bank's assessment area of Salt Lake County is comprised of 212 census tracts, which are broken down by income levels, as determined by US Census Track Data 2018 est. Table 2 below shows the population of Salt Lake County residents by census tract income level.

Utah's Economic Assessment

Growth rates for most of Utah's economic indicators should be double the national rate and the Utah economy should outperform almost all of the high growth western states. When looking at only private sector job growth, Utah ranked first in the nation at the time of this writing. National employment growth was 1.5 percent in 2017, compared to 3 percent for Utah. Utah's unemployment rate was 3.5 percent and remains lower than the national unemployment rate of 4 percent in 2017.

Utah's total personal income is estimated to have increased by 5.3 percent in 2017. The average wage in Utah in 2017 was \$47,012.

2017 showed tight conditions in Utah's labor market. No relief is expected for most employers as the unemployment rate is projected to drop slightly to 3.3 percent in 2018. Large public and private projects will increase pressure on the labor market, particularly for the construction sector. Along with the \$3 billion redevelopment of the Salt Lake International Airport, which is near midpoint and will continue for four to five more years, several other projects are getting underway in 2018 that will add to labor demand.

Utah's total population estimate was 3,114,039 in July 2017 according to estimates prepared by the Utah Population Committee. Net migration continued to increase in

2017, contributing to 26,989 new residents or 46 percent of growth. Natural increase contributed more than half of the new growth (54 percent or 32,056 persons). Utah had the third highest population growth in the nation at 1.9 percent⁴.

Status of Housing Stock, Housing Costs

Management carefully reviewed the following sources of information to identify community needs related to the availability of affordable housing in the Bank's assessment area.

- COMMUNITY ACTION PARTNERSHIP OF UTAH 2017 REPORT ON POVERTY⁵. The report cites the Out of Reach 2016: Utah Study stating Utah has an estimated current housing shortage of 47,180 units in available affordable housing for Extremely Low Income (ELI) Households. ELI households make up 24 percent of total renter households. The report further states that the Fair Market Rent for a two-bedroom apartment is \$885 in Utah.
- The 2018 ECONOMIC REPORT TO THE GOVERNOR – STATE OF UTAH. This annual document serves as a resource for facts regarding Utah's economic conditions. The report provides a valuable assessment of the economic outlook for the state and provides a backdrop against which CRA development activities can be evaluated. The data estimates that in 2016 Utah has a homeownership rate of 71.3 percent. Historically the market has focused on single-family homes which has increased constraints on land and has driven up land prices. The result is fewer rental and multifamily units, which has likely attributed to the limitation of affordable housing opportunities for LMI individuals.
- STATE OF UTAH AFFORDABLE HOUSING ASSESSMENT 2017. This document addresses affordable housing in Utah. It provides a valuable assessment, breaking down the housing needs of each county.
- The SALT LAKE BOARD OF REALTORS. This source reported that the median single-family home price in 2017 in Salt Lake County was \$325,000, a 10 percent increase over the prior 12 months.

Accordingly, affordable housing opportunities in the Bank's assessment area are a critical problem affecting LMI individuals where the Bank is located. Because the Bank's business model does not include residential mortgage lending, the best way for the Bank to address this critical need is to make community development loans and investments that support affordable housing in the assessment area.

2. 12 CFR 345.21(b)(2) – Lending, Investment, and Service Opportunities in the Bank Assessment Area

The Bank has sought input from community groups who serve LMI individuals and families to understand the lending, investment, and service opportunities available to the Bank in its assessment area. This was accomplished by meeting with the individuals and agencies listed below in Table 5.

Table 5

Glenn Bailey	Crossroads Urban Center	glenn@crossroadsurbancenter.org
Amy Dott Harmer	Utah Refugee Connection	amydott@utahrefugee.org
Christy Tribe	Jr. Achievement Utah	christy@ja-utah.org

From discussions with and input received from the above organizations, the Bank has determined the most critical needs of its assessment area are and continue to be:

- HOUSING – especially affordable workforce housing and housing for the homeless.
- EMPLOYMENT – including underemployment and unemployment.
- EDUCATION – including parenting and life skills education, early childhood education, youth services, financial education, and college scholarships for LMI individuals.
- HEALTH CARE AND MEDICAL SUPPORT – including crisis centers and services, childcare, free or low cost medical services and prescriptions, mental health

services, services for individuals with disabilities, substance abuse, and support for families of those with medical needs.

- FOOD – including access to emergency food sources and food programs that promote sustainability.
- SMALL BUSINESS SUPPORT – especially for LMI individuals, women, and certain ethnic minorities.

Considering the above needs, this Strategic Plan is designed to focus on three areas for participating in community development: Community development loans (“CRA loans”); qualified investments, including grants (“CRA investments”); and community development service (“CRA service”). This will be accomplished primarily by means of the following three areas of focus:

- AFFORDABLE HOUSING LOANS & INVESTMENTS. The lack of affordable housing for LMI individuals and families in the assessment area is well known and established. Therefore, making loans and investments in facilities that build or revitalize LMI housing stock in the Bank’s assessment area will be a primary focus.
- ADMINISTRATIVE SERVICES GRANTS. Many community service and housing-related organizations can find funding for programs that service LMI individuals and families, but lack access to grants that help cover administrative services required to support those programs. These services include such things as salary expenses, office and overhead expenses, and general program administration expenses. Without funding to cover these costs, programs may not be administered effectively or achieve their stated goals. Therefore, the Bank will look for opportunities to assist community service and housing-related organizations with their administrative funding needs.
- FINANCIAL LITERACY EDUCATION. While Utah ranked 5th in the U.S. in 2018 for its Financial Assets & Income Rate⁶ (the ability of a household to access wealth resources sufficient to meet basic need for a period of three months), there is a known lack of age- and culture-appropriate financial education for certain LMI populations. As such, the Bank will seek out targeted opportunities to provide financial literacy education to LMI student populations and LMI adult populations that have had little to no exposure to banking, budgeting, financial planning, or expense management.

Specific CRA loan, investment, and service opportunities within the Bank’s assessment area that management has identified for the aforementioned areas of focus include the following:

⁶ <http://scorecard.prosperitynow.org/data-by-location#state/ut>

- Investments in UTAH HOUSING BONDS, FNMA OR GNMA mortgage-backed securities, or other similar instruments where the funds are used to provide LMI individuals and families with residential mortgages.
- Loans to NEIGHBORWORKS SALT LAKE to support affordable home ownership for LMI individuals and families through first mortgages and rehabilitation loans.
- Loans to the UTAH MICRO LOAN FUND to provide start-up financing to owners of new or existing small businesses, most of whom are LMI individuals that lack access to traditional funding sources, particularly those who are socially and economically disadvantaged.
- Loans to the ROCKY MOUNTAIN COMMUNITY REINVESTMENT CORPORATION to provide financing for affordable housing projects targeted to LMI individuals and families.
- Investments in the BRIDGE WORKFORCE AND AFFORDABLE HOUSING FUND to facilitate the preservation and rehabilitation of workforce and affordable multifamily housing properties for LMI individuals and families.
- Investments in the UNIVERSITY GROWTH FUND to provide venture capital funding for local small businesses development and to provide LMI university students with access to experiences and learning opportunities in the world of investing. Student graduates also gain access to exclusive job opportunities not typically available to their peers.
- Volunteer service to JUNIOR ACHIEVEMENT to teach LMI students economic and business concepts through hands-on curriculum in the class room and through participating in JA BizTown, which gives students hands-on experience in a simulated city managing their own business and working with the government and other business owners. This training will primary be focused on elementary age children who are from LMI families that attend Title I public schools.
- Working with the UTAH FINANCIAL SERVICES FOUNDATION to develop and provide financial education to certain adult LMI populations who have had no or limited exposure to traditional banking and may not sufficiently understand how to budget or manager their expenses for financial success.

3. 12 CFR 345.21(b)(3) – The Bank's Product Offerings and Business Strategy

Product Offerings

The Bank is a specialized entity engaged primarily in the business of offering consumer installment loan products to individuals across the U.S. through a network of recreational vehicle dealers and home improvement contractors. The vast majority of the Bank's customers do not reside in the Bank's assessment area. The Bank's funding comes primarily from brokered time deposits, for which the vast majority of account holders do not reside in the Bank's assessment area.

At the time of this writing, the Bank's loan products include the items in Table 6 below.

Table 6

Medallion Bank Loan Products		
Loan Product	Customer Type	Loan Description
Recreation Loans	Consumer	Purchase money installment loans for recreational vehicles (motorhomes, towable RVs, truck campers), marine and repower products, horse/utility trailers, and collector cars.
Home Improvement Loans (non-real estate secured)	Consumer	Purchase money installment loans for window, siding & roof replacements, kitchen, bath, and basement remodels, HVAC replacement or installation, solar PV installations, and swimming pools.
Taxi Medallion Loans (Discontinued)	Commercial	Purchase money installment loans for taxi medallion financing. The Bank has ceased originating taxi medallion loans and has no plans to offer such loans in the future but continues to service a small run-off portfolio of loans.

At the time of this writing, the Bank's deposit products include the items in Table 7 below.

Table 7

Medallion Bank Deposit Products		
Deposit Product	Customer Type	Deposit Description
Brokered Time Deposits (Non-transaction accounts)	Consumer, commercial	Consumer and commercial deposit funds obtained through deposit brokers.

Business Strategy

The Bank's business strategy for the next five years is to continue with its current product offerings and methods of sourcing business while remaining open to opportunities that are consistent with the Bank's charter, objectives and management skills. The projected growth will be funded by raising additional deposits and through net profits.

Management prepares an annual Strategic Plan for the Bank that is approved by the Board. Each quarter, if warranted, the plan is re-forecast based on current market and business conditions. Management continues to evaluate its different business lines and consider various alternatives to maximize the aggregate value of its businesses and increase stockholder value. Some of these alternatives may include expanding its current business products in recreation and home improvement lending, new product lines that are deemed safe, sound, and profitable to the Bank, or strategic partnerships with third party lenders. When appropriate, the quarterly re-forecast will reflect these new opportunities or changes in strategy.

Management recognizes that if the Bank does elect to engage in residential mortgage lending or small business lending during the term of this Plan, it may need to modify the Plan, with FDIC approval, to include target goals for these lending categories.

4. 12 CFR 345.21(b)(4) – Institutional Capacity and Constraints

Institutional Capacity

Although the Bank's profits and capital were negatively impacted during the period 2016 – 2018 due to competition from ride sharing services and the demise of the Bank's taxi medallion loans, the Bank has remained profitable since it was chartered in 2003, including during the 2007 – 2009 recession. Strong performance in the Bank's recreation and home improvement loan programs has helped mitigate the negative impact of medallion loan performance. The Bank's strategy going forward to transition away from taxi medallion lending and focus on growing its consumer loan portfolios will position the Bank for continued growth and increased profitability. The financial information in Table 8 below illustrates the Bank's financial condition and performance since 2010.

Table 8

Medallion Bank Growth & Profitability			
Year	Total Assets (000s)	Net Income (000s)	Equity Capital (000s)
2010	\$568,725	\$11,235	\$94,906
2011	\$629,429	\$15,418	\$108,850
2012	\$723,806	\$19,470	\$117,633
2013	\$814,679	\$18,439	\$127,786
2014	\$964,214	\$26,261	\$149,444
2015	\$1,082,419	\$23,691	\$162,419
2016	\$1,076,165	\$1,962	\$161,885
2017	\$1,081,844	\$4,553	\$164,230
2018	\$1,022,537	\$5,666	\$166,995

Management is confident that the Bank's financial condition and earnings performance over the next five years will continue to improve and be more than adequate to support the CRA goals outlined in this Strategic Plan.

Publicly available information regarding the Bank's financial condition (e.g., assets, liabilities, and income) as of December 31, 2018 can be found in Exhibit 2. This same information for any year and quarter can be obtained online at <https://cdr.ffiec.gov/public/>.

Constraints

Factors that can affect the Bank's ability to provide the types of CRA loan, investment, or service activities detailed in this Plan include the following:

- **SIZE AND CAPACITY.** The Bank has maintained average assets of approximately \$1.1 billion since 2015 and does not intend to grow the asset base significantly over the next five years. At this size, and even with moderate growth, management is confident it can meet the Strategic Plan goals as defined herein. Any unplanned significant growth in assets could place constraints on management's ability to meet the Strategic Plan goals and will have to be carefully evaluated to ensure the Bank does not fall below the goal threshold for "Satisfactory" performance ratings.
- **COMPETITION FOR CRA LOANS AND INVESTMENTS.** As previously mentioned, constraint issues continue to exist with regard to the Bank's assessment area, including the relatively limited availability of CRA loan and investment opportunities and the large number of financial institutions vying for these opportunities. However, management feels confident it can make up for

potentially unavailable loan opportunities with CRA investments in housing bonds, mortgage-backed securities, and SBA loan pools.

- **DECLINING VALUE OF TAXI MEDALLIONS.** The impact of competition from ride sharing businesses has significantly reduced the value of taxi medallions and had a negative impact on the Bank's earnings and capital. Although management has ceased originating taxi medallion loans and believes the Bank has "turned the corner" on the negative impacts of the ride sharing phenomenon, future unexpected declines in taxi medallion values could impact the Bank's earnings and capital and place constraints on management's ability to make CRA loans and investments.
- **RECESSION.** An economic recession, which is likely in the near future, will cause loan delinquencies to rise and charge offs to occur. This will impact the Bank's earnings and place limitations on capital growth. However, the Bank fared well during the recession of 2007 - 2009 with no material negative impacts to earnings or the balance sheet. Management is confident it has structured its loan portfolios to weather a recession without significant negative impact. Nevertheless, any recession will constrain earnings to some extent and may place limitations on management's ability to make CRA loans and investments.
- **LACK OF VOLUNTEERISM.** A lack of interest by employees in volunteering to participate in CRA service opportunities or the inability of employees to volunteer due to heavy workloads could constrain the Bank's ability to meet its Strategic Plan service goal. However, the Bank has a strong history of employee volunteerism and the seasonal nature of recreation and home improvement lending provide opportunities for employees to participate in work-sponsored CRA service activities. Additionally, the Compliance Department tracks and reports service hours on a continuing basis and can ramp up volunteer efforts when needed with management's support.

5. 12 CFR 345.21(b)(5) – The Bank's Past Performance and the Performance of Similarly Situated Lenders

Bank Performance

The Bank has been operating under an FDIC approved CRA Strategic Plan since March 2015. The Bank received joint FDIC/Utah Department of Financial Institutions CRA examinations for which a satisfactory rating was assigned in February 2015 and an outstanding rating was assigned in April 2018. The Bank's internal audit department also conducts an annual CRA compliance review, the

results of which have been positive with no material findings. The Bank's annual performance against its CRA Strategic Plan goals for Plan Years 2015 through 2018 is presented in Table 9, 10, and 11 below.

Analysis of CRA Loans and Investments Performance

As shown in Table 9 and 10 above, the Bank exceeded the Outstanding rating threshold for Goal 1 in all five Plan Years and Goal 2 in all Plans Years except 2016. In particular, in 2017, the Bank originated new CRA loans and investments totaling 1.26% of average assets, more than double its Outstanding Plan goal of .60%. This performance is largely attributed to a reduction in the Bank's asset base in 2016 – 2018 from the following three unexpected events.

- The demise of the Bank's taxi medallion lending program and the decision to cease further originations.

- Large charge offs of non-performing taxi medallion loans.
- Portfolio sales of consumer loans needed to offset taxi medallion losses and strengthen the Bank's capital position.

Absent the above events, it is estimated the Bank's asset base would have continued to grow at pre-2016 levels and the Bank's CRA loan and investment totals would have been a smaller percentage of average assets, although still at levels close to or slightly exceeding Outstanding. Management stresses that actual performance levels for 2016 – 2018 exceed what would likely have been achieved if not for the events previously described and should be considered when comparing prior performance to the Bank's planned goals for this Plan as outlined in Table 15.

2017	176	218	484.0	68	7.1
2018*	176	218	420.0	77	5.5
* Hours for the 2018 Plan Year are projected based on YTD hours completed and planned through March 31, 2019.					

Analysis of Community Development Service Hours Performance

As shown in Table 11 above, the Bank exceeded the Outstanding rating threshold for Goal 3 in all Plan Years. At the time the Bank established its Service Hours goals for the 2015 – 2018 Strategic Plan, it had a total of 48 employees and calculated that each employee should contribute about 3.7 hours per year for a Satisfactory rating and 4.5 hours for an Outstanding rating. Strong volunteer efforts by employees in 2015 – 2018 increased actual performance to the levels noted above. However, total hours for 2017 are considered an anomaly as the Bank was able to accommodate a special request by Junior Achievement to supply additional volunteers for an unplanned JA BizTown event. This level of volunteer effort would not be sustainable year-over-year given existing resources and should be considered when comparing prior performance to the Bank's planned goals for this Plan as outlined in Table 15.

Analysis of Peer Performance

Management reviewed the CRA performance of several peer institutions who have the same assessment area as the Bank, employ a similar business strategy of lending on a nationwide or out-of-state basis, and operate under an FDIC-approved Strategic

Plan. While exact comparisons between the Bank and several of its peers cannot be made due to differences in how each institution has structured its goals and defined its performance measures, general conclusions can be formed about the adequacy of the Bank's goals compared to those of other similarly situated institutions. Tables 12 through 14 below present the CRA Strategic Plan goals of other peer institutions that have goals most comparable to those of the Bank.

Summary of Comparative Peer Review

Similar to the Bank's Strategic Plan goals, the institutions above focus on new or current Plan Year CRA loans and investments and cumulative (current Plan Year + prior Plan Years' outstanding) CRA loans investments. The institutions also target a specific number of CRA service hours per full time employee to reach their service goals. Management's analysis of its current performance goals and those proposed in this new Plan against the goals of these institutions indicates they are sufficiently designed to have meaningful community impact and keep the Bank on par with its peers.

Management also reviewed the strategic plans of the banks listed below, although the details of their measurable goals are not shown in this analysis as they do not directly correlate to those of the Bank. Nevertheless, the impact of the strategic plans was assessed relative to the impact of the Bank's proposed Plan to ensure consistency.

- EnerBank
- First Electronic Bank
- SallieMae Bank
- UBS Bank

6. 12 CFR 345.21(b)(6) – The Bank's Public File and Any Written Comments About the Bank's CRA Performance

Medallion Bank maintains a public file in accordance with 12 CFR 345.43 that is available for inspection upon request. As of the time of this writing, the Bank has not received any written comments about its CRA performance.

7. 12 CFR 345.21(b)(7) – Any Other Information Deemed Relevant by the FDIC

The Bank is not aware of any other contextual information the FDIC should consider in regard to its review or approval of this proposed Strategic Plan.

SECTION 5 – CRA STRATEGIC PLAN

Strategic Plan Goals

As presented in Tables 9, 10, and 11 above, historically, the Bank's measurable Strategic Plan goals and efforts have fallen into three categories of focus as noted below.

- **NEW CRA LOANS AND INVESTMENTS.** This includes all community development loans and qualified investments (including grants) made during the Plan Year (including loan participations and lines of credit) and includes the renewal or refinancing of any such facilities.
- **CUMULATIVE CRA LOANS AND INVESTMENTS.** This includes the outstanding balance of all prior Plan Years' qualified investments plus all new community development loans and qualified investments (including grants) made during the current Plan Year.
- **CRA SERVICE.** This includes the total number of hours of community development service contributed by employees during any given Plan Year.

Measurable Goals

Management believes its measurable goals for this new Strategic Plan should continue to fall within the above three categories of focus. As such, the Bank has established the following measurable goals for its 2020 – 2024 CRA Strategic Plan.

Table 15

CRA Strategic Plan Goals						
Plan Year	Goal 1 NL&I [†] / AA [‡]		Goal 2 CL&I [†] / AA [*]		Goal 3 Service Hours ^{**}

2023	.40%	.60%	1.30%	1.75%	5	6
2024	.40%	.60%	1.30%	1.75%	5	6
[†] New CRA Loans and Investments (as defined above). [‡] Cumulative CRA Loans and Investments (as defined above). [*] Average assets as reported on Line 9, Schedule RC-K, of the Bank's last 4 quarterly Call Reports. ^{**} CRA service (as defined above) divided by average full time employees living and working within the Bank's assessment area per given Plan Year.						

Management believes the Strategic Plan goals in Table 15 are appropriate and significant given the size and strategic focus of the Bank, its current financial condition, the state of the U.S. and local economies, the size of the Bank's staff, and the other factors previously discussed in this Plan. The goals also compare favorably to those of similarly situated peer institutions and the Bank's own prior performance, with consideration given to anomalous events associated with taxi medallion loans and the Bank's shrinking balance sheet that caused the Bank's CRA performance in 2016 – 2018 to exceed planned goals.

Strategic Plan Term

Management proposes that the effective date of the plan be April 1, 2020, the day after the existing Strategic Plan expires on March 31, 2020. The proposed Plan is set to run for a five year period. Each Plan Year will start on April 1 of the stated year and end on March 31 of the following year. The Plan goals will be measured and reported on a Plan Year basis (e.g., Plan Year 2020 will be measured and reported as of March 31, 2021).

Structures Supporting the Plan

The Bank's Board, having approved this Plan, will oversee management's execution of it and allocate the resources necessary to achieve the Plan's stated goals. The Bank's CRA Officer will report to the Board no less than twice annually on the Bank's performance under this Plan.

The Bank's CRA Officer will oversee the day-to-day administration of the Bank's CRA Program and this Strategic Plan. The CRA Officer will work with Bank management to develop and implement strategies to meet the goals stated in the Plan.

The Bank's Community Reinvestment Committee, which includes all members of senior management, will review potential CRA lending, investment, and service opportunities to determine which ones best serve the Bank's community credit and other needs and support achievement of the Bank's Strategic Plan goals, consistent with safe and sound banking practices. The Committee will meet no less than quarterly and will review a written report prepared by the CRA Officer outlining the Bank's progress and performance under this Plan.

The Bank's Internal Audit Department will conduct an annual review of the Bank's compliance with the CRA and assess management's efforts and progress in meeting CRA Strategic Plan goals. Internal Audit will report the results of its audit to the Bank's Board Audit Committee.

Election of Alternate Method for CRA Performance Evaluation

Management elects to decline the selection of an alternative method of CRA performance evaluation. Management prefers that the Bank be evaluated solely against its CRA loan, investment, and service targets as outlined in this Plan. Management firmly believes that achieving the goals defined in this Plan are the most meaningful way the Bank can meet its responsibilities under the CRA.

Reporting Obligations Under the CRA

Nothing in this Plan negates or modifies the need for the Bank to collect, report, or disclose any information required under 12 CFR 345.42 of the FDIC Rules and Regulations. It is anticipated the Bank could grow beyond the intermediate small bank classification during the timeframe of this proposed Plan. Should that occur, management will collect and report, as applicable, small business and community development loans originated or purchased during the calendar year.

Requests, Approvals, and Submission

In addition to the comments solicited from the agencies listed above, the following steps were taken to solicit additional public comment, gain approval by the Bank's board of directors, and submit the plan for regulatory approval.

- **PUBLIC COMMENT.** As required by 12 CFR 345.27(d)(2), management formally solicited public comment on the plan by publishing notice on February 6, 2019 in The Deseret News and the Salt Lake Tribune, daily papers of general circulation.
- **BOARD APPROVAL.** Each Board member reviewed the plan at a regularly scheduled meeting of the Board on January 29, 2019. The plan was approved for submission to the FDIC.
- **SUBMISSION OF PLAN TO FDIC.** The plan was submitted to the FDIC's San Francisco, California Office on March 21, 2019 and approved on April 3, 2019.

FDIC Request for Approval

The Bank respectfully submits that it has fulfilled the regulatory requirements for strategic plans, including those governing development of the plan and the involvement of the public in the determination of community needs. As established herein, the Bank's CRA performance context supports the Bank's measurable Plan goals. Management believes that FDIC approval of the Bank's Strategic Plan is appropriate under the FDIC's criteria for evaluation as outlined in 12 CFR 345.27(g)(3)(i) – (iii).

For the reasons set forth above, the Bank respectfully requests FDIC approval of this Strategic Plan.

Consolidated Reports of Condition and Income for A Bank With Domestic Offices Only - FFIEC 041

Report at the close of business December 31, 2018

This report is required by law: 12 U.S.C. §324 (State member banks); 12 U.S.C. §1817 (State non member banks); 12 U.S.C. §161 (National banks); and 12 U.S.C. §1464 (Savings associations).

(20181231)

(RCON 9999)

Unless the context indicates otherwise, the term "bank" in this report form refers to both banks and savings associations.

This report form is to be filed by banks with branches and consolidated subsidiaries in U.S. territories and possessions, Edge or Agreement subsidiaries, foreign branches, consolidated foreign subsidiaries, or International Banking Facilities.

NOTE: Each bank's board of directors and senior management are responsible for establishing and maintaining an effective system of internal control, including controls over the Reports of Condition and Income. The Reports of Condition and Income are to be prepared in accordance with federal regulatory authority instructions. The Reports of Condition and Income must be signed by the Chief Financial Officer (CFO) of the reporting bank (or by the individual performing an equivalent function) and attested to by not less than two directors (trustees) for state non member banks and three directors for state member banks, national banks, and savings associations.

I, the undersigned CFO (or equivalent) of the named bank, attest that the Reports of Condition and Income (including the supporting

schedules) for this report date have been prepared in conformance with the instructions issued by the appropriate Federal regulatory authority and are true and correct to the best of my knowledge and belief.

We, the undersigned directors (trustees), attest to the correctness of the Reports of Condition and Income (including the supporting schedules) for this report date and declare that the Reports of Condition and Income have been examined by us and to the best of our knowledge and belief have been prepared in conformance with the instructions issued by the appropriate Federal regulatory authority and are true and correct.

Submission of Reports

Each bank must file its Reports of Condition and Income (Call Report) data by either:

- Using computer software to prepare its Call Report and then submitting the report data directly to the FFIEC's Central Data Repository (CDR), an Internet-based system for datacollection (<https://cdr.ffiec.gov/cdr/>), or
- Completing its Call Report in paper form and arranging with a software vendor or another party to convert the data in to the electronic format that can be processed by the CDR. The software vendor or other party then must electronically submit the bank's data file to the CDR.

For technical assistance with submissions to the CDR, please contact the CDR Help Desk by telephone at (888) CDR-3111, by fax at (703) 774-3946, or by e-mail at CDR.Help@ffiec.gov.

FDIC Certificate Number **57449** (RSSD 9050)

To fulfill the signature and attestation requirement for the Reports of Condition and Income for this report date, attach your bank's completed signature page (or a photocopy or a computer generated version of this page) to the hard-copy record of the data file submitted to the CDR that your bank must place in its files.

The appearance of your bank's hard-copy record of the submitted data file need not match exactly the appearance of the FFIEC's sample report forms, but should show at least the caption of each Call Report item and the reported amount.

The estimated average burden associated with this information collection is 50.4 hours per respondent and is estimated to vary from 20 to 775 hours per response, depending on individual circumstances. Burden estimates include the time for reviewing instructions, gathering and maintaining data in the required form, and completing the information collection, but exclude the time for compiling and maintaining business records in the normal course of a respondent's activities. A Federal agency may not conduct or sponsor, and an organization (or a person) is not required to respond to a collection of information, unless it displays a currently valid OMB control number. Comments concerning the accuracy of this burden estimate and suggestions for reducing this burden should be directed to the Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, DC 20503, and to one of the following: Secretary, Board of Governors of the Federal Reserve System, 20th and C Streets, NW, Washington, DC 20551; Legislative and Regulatory Analysis Division, Office of the Comptroller of the Currency, Washington, DC 20219; Assistant Executive Secretary, Federal Deposit Insurance Corporation, Washington, DC 20429.

Schedule RC-C Part II - Loans to Small Businesses and Small Farms

Report the number and amount currently outstanding as of the report date of business loans with "original amounts" of \$1,000,000 or less and farm loans with "original amounts" of \$500,000 or less. The following guidelines should be used to determine the "original amount" of a loan:
(1) For loans drawn down under lines of credit or loan commitments, the "original amount" of the loan is the size of the line of credit or loan commitment when the line of credit or loan commitment was most recently approved, extended, or renewed prior to the report date. However, if the amount currently outstanding as of the report date exceeds this size, the "original amount" is the amount currently outstanding on the report date. (2) For loan participations and syndications, the "original amount" of the loan participation or syndication is the entire amount of the credit originated by the lead lender. (3) For all other loans, the "original amount" is the total amount of the loan at origination or the amount currently outstanding as of the report date, whichever is larger.
