

# Subordination Request Instructions

Requests to subordinate a Medallion Bank fixture filing to a mortgage loan or Home Equity Line of Credit (HELOC) should be submitted using this form. We will process the request upon receipt of a completed Subordination Request Package (form plus additional documentation) and the subordination processing fee. All requests are subject to a credit and risk review, which could result in the request for subordination being declined. We do not subordinate to Reverse Mortgages or Home Equity Sharing Agreements (HEA/HESA); these requests if received will be declined.

## Subordination Request Package

The Subordination Request Package should include a **completed cover sheet** and the following additional materials:

- A Uniform Residential Loan Application (Form 1003) which must include the borrower's name, date of birth, Social Security Number, and address.
- A copy of the Loan Estimate (LE).
- A copy of the borrower's title report.

The time from submission to decision is generally 7-10 business days. The time from an approval to our sending a completed subordination agreement is approximately 3 business days.

## Subordination Fee and Payment

The processing fee for a subordination request is **\$200**. This fee is due with the submission of the completed Subordination Request Package and is **non-refundable**.

Payment of the processing fee should be made by check. Please mail the check, payable to Medallion Bank, with the complete Subordination Request Package. Send everything to the address below.
